to the Admission Regulations of the Federal State Autonomous Institution of Higher Education
"Kazan (Volga Region) Federal University" for 2021/2022 academic year

Prospective admission numbers for international applicants - Master's academic programs
for 2021/2022 academic year

Major/Speciality			Education level (Master's program)	Period of study	Mode of study (full-time/ part-time/ extramural)	Fee coverage (budget-funded/ tuition fee-based studies)	Entrance exams (subjects by their importance)	Minimum points (on each subject) sufficient to secure the admission to the program	Number of international applicants admitted for studies in 2020/2021 academic year
Code	Title	Master's program							
1	2	3	4	5	6	7	8	9	10
Institute of Fundamental Medicine and Biology									
06.04.01	Biology	Biochemistry, Molecular Biology and Bioinformatics; microbiology and virology; genetics; neurobiology; bioresources and biodiversity; bio- and nanotechnology; bioecology and nature conservation; medical and biological sciences; plant biology and landscape design; physiological foundations of functional diagnostics	Master's program	2 years	full-time	tuition fee-based	written examination (test+essay) on the profile of the Master's program, interview on the topic of the Master's program profile	40 40	5
Institute of Environmental Sciences									
05.04.06	Ecology and Natural resources management	Ecological safety and environmental protection management	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	5
Institute of Geology and Petroleum Technologies									
05.04.01	Geology	Modern geophysical technologies for prospecting and exploration of hydrocarbon deposits; Engineering geology and hydrogeology of urbanized territories; Stratigraphy of oil and gas basins; Geology of mineral deposits; Geology and geochemistry of oil and gas	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	3
05.04.01	Geology	Complex data analysis in geosciences; Stratigraphy of Oil and Gas Basins (in English)	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	3
21.04.01	Petroleum engineering	Oil, gas and natural bitumen technologies	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	7
21.04.01	Petroleum engineering	Integrated field modeling; Development of hard-to-recover an unconventional hydrocarbon fields; Neural networks and machine learning in the oil and gas sector	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	7
21.04.01	Petroleum engineering	Petroleum engineering (in English)	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile, oral examination on the Master's program profile	40 40	15
Institute of international relations									
58.04.01	Oriental and African studies	Oriental languages in professional communication (Korean language); Oriental languages in professional communication (Chinese language); Oriental languages in professional communication (Turkish language); Language and literature of Asian and African countries (Arabic language)	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	5

38.04.01	Economics	International economic relations of the countries of Europe and North America; World economy of the countries of the Asian-Pacific region and Africa	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	4
41.04.05	International relations	East in the system of global and regional international relations; World policy and international business; Digital diplomacy; Architecture of the multipolar world; European studies; Cultural heritage management	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	10
41.04.05	International relations	Digital diplomacy (in English)	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	10
41.04.01	Foreign Regional Studies	Modern China: economy, policy, culture	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	5
46.04.03	Anthropology and ethnology	Anthropology and ethnology	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	2
46.04.01	History	Archaeology; Historical urbanism	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	2
46.04.01	History	History, economy and culture of Turkic peoples	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
43.04.02	Tourism	International tourism	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
43.04.02	Tourism	Organization and techniques of international and domestic tourism	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
50.04.03	Art History	Art history of the Turkic-Muslim world	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
45.04.02	Linguistics	Theory of Translation: intercultural and multilingual communication; Theory and methodology of teaching foreign languages and cultures	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
46.04.01	History	Historical political science; Modern historical science in teaching history and social studies at school; Source studies and methods of historical research	Master's program	2 years 6 months	extramural	tuition fee-based	entrance examination on the Master's program profile	40	2
43.04.02	Tourism	International tourism	Master's program	2 years 6 months	extramural	tuition fee-based	entrance examination on the Master's program profile	40	2
41.04.05	International relations	World policy and international business	Master's program	2 years 6 months	part-time	tuition fee-based	entrance examination on the Master's program profile	40	2
Nikolai Lobachevsky Institute of Mathematics and Mechanics									
01.04.01	Mathematics	Analysis on manifolds, Geometry and its applications	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	5
01.04.01	Mathematics	Algebra (in English)	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	5
01.04.03	Mechanics and mathematical modelling	Mechanics of liquid, gas and plasma; Mechanics of a solid deformable body; Oil and gas reservoir mechanics; Computer mechanics	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	5
02.04.01	Mathematics and computer sciences	Methods of mathematical and algorithmic modeling of general scientific and applied problems	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	5
Institute of physics									
03.04.02	Physics	Medical physics; Physics of perspective materials; Theoretical Physics and Modeling of Physical Processes	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	3
03.04.03	Radiophysics	Quantum devices and radiophotonics; Distributed Intelligent System	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	2
Alexander Butlerov Institute of Chemistry									

04.04.01	Chemistry	Analytical chemistry methods; chemoinformatics and molecular modeling; chemistry of supramolecular nano- and biosystems; petrochemistry and catalysis, physical and chemical research methods in chemistry; medicinal chemistry, chemistry of composite materials, innovative materials and methods of their research, organic, element-organic and medicinal chemistry	Master's program	2 years	full-time	tuition fee-based	oral examination on Chemistry	40	4
Faculty of Law									
40.04.01	Law	Anti-corruption activity; European and International Business Law (in English); International protection of human rights; Legal analytics; Legal support of business; Preliminary investigation and justice on criminal cases; Litigation lawyer in civil, arbitration and administrative process; Private law and business; Legal protection of the rights of citizens in criminal cases; Lawyer in public authorities; Lawyer in the field of digital economy	Master's program	2 years	full-time	tuition fee-based	written examination	40	15
40.04.01	Law	Anti-corruption activity; International protection of human rights; Legal analytics; Legal support of business; Preliminary investigation and justice on criminal cases; Litigation lawyer in civil, arbitration and administrative process; Private law and business; Legal protection of the rights of citizens in criminal cases; Lawyer in public authorities; Lawyer in the field of digital economy	Master's program	2,5 years	part-time	tuition fee-based	written examination	40	5
Institute of computational mathematics and information technologies									
01.04.02	Applied mathematics and informatics	Methods of applied mathematical statistics, Mathematical modeling, Data analysis and its applications, Mathematical methods and information technologies in economics and finance	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	4
01.04.02	Applied mathematics and informatics	Open informatics	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile, interview in English	40, 40	3
01.04.04	Applied mathematics	Methods of Mathematical Modelling; Classical and Quantum Computing; Computational Geometry and High Performance Computing	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile, interview in English	40, 40	1
02.04.02	Fundamental informatics and information technologies	Mathematical foundations and software for information security and information protection; Machine learning and computer vision	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	1
02.04.02	Fundamental informatics and information technologies	Data science	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile, interview in English	40, 40	1
09.04.02	Information systems and technologies	Information systems development technologies	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	10
09.04.03	Applied informatics	Information security of economic systems	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	1

38.04.05	Business Informatics	IT in Business	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	1
Institute of philology and intercultural communicati									
44.04.01	Pedagogical studies	Russian language and literature teaching at Secondary and Higher School	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	4
44.04.01	Pedagogical studies	Tatar language and literature: contemporary educational theories and techniques	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	English language and literature teaching at Secondary and Higher School	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Foreign languages for professional communication	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Information technologies in Education and Art	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Russian as a foreign language	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	70
45.04.01	Philology	Turkic studies	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	International professional communication in Eurasian area	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	5
54.04.01	Design	Computer graphics and web-design	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Multilingual technologies of children's early development	Master's program	2 years 6 months	part-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Applied linguistics	Master's program	2 years 6 months	extramural	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Romance and Germanic philology	Master's program	2 year 6 months	extramural	tuition fee-based	oral examination on the Master's program profile	40	1
Institute of social and philosophical sciences and mass communicatio									
37.04.02	Conflict studies	Corporate conflict management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination (written exam, portfolio, motivation letter) on the Master's program profile	40	1
39.04.01	Sociology	Comparative social analysis; Sociology of innovative processes management	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	1
41.04.04	Politology	Political regionalism and ethnopolitics; Politics, law and society of the European Union and Eurasia	Master's program	2 years	full-time	tuition fee-based	entrance examination on the Master's program profile	40	1
42.04.01	Advertising and public relations	Advertising and public relations in management; Geobranding Media analytics	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	4

38.04.02	Management	Marketing and consumer behavior	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.02	Management	Business and Management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.08	Finance and credit	Finance (involving distant learning)	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	5
38.04.04	State and municipal management	State policy and management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.03	Personnel management	Human resources management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
20.04.02	Environmental engineering and water resources management	Safety and rehabilitation of natural and man-made disasters	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
05.04.02	Geography	Economic geography and spatial development of territories	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
05.04.03	Mapping and geoinformatics	Geographic information and space technologies in economics and management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.01	Economics	Financial analytics	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.02	Management	Business and Management	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.01	Economics	Accounting, audit and financial consulting	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examination on the Master's program profile	40	1
38.04.02	Economics	Economics and Organization Management	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examination on the Master's program profile	40	1
05.04.03	Mapping and geoinformatics	Geographic information and space technologies in economics and management	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examination on the Master's program profile	40	1
20.04.02	Mapping and geoinformatics	Urbocology	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examination on the Master's program profile	40	1
Institute of Engineering									
12.04.04	Biotechnical systems and technologies	Medical and biological devices, systems and complexes	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	2
12.04.04	Biotechnical systems and technologies	Medical and clinical technology	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	2
16.04.01	Technical physics	Technical physics	Master's program	2 years	full-time	tuition fee-based	complex entrance examination on the Master's program profile	40	1

27.04.05	Innovatics	Innovation technologies of robotic systems management	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon	40	2
27.04.05	Innovatics	Intellectual property	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon	40	2
27.04.05	Innovatics	Metrology and certification	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon	40	2
Higher School of Business									
38.04.01	Economics	International business	Master's program	2	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	2
38.04.02	Management	IT-management	Master's program	2	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	1
38.04.02	Management	Management (in English)	Master's program	2	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	2
Yelabuga Institute of Kazan Federal University									
44.04.01	Pedagogical studies	Educational organization management	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	15
44.04.01	Pedagogical studies	Digital education	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	15
44.04.01	Pedagogical studies	Pre-school education management	Master's program	2 years, 6 months	part-time	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Engineering pedagogy	Master's program	2 years, 6 months	part-time	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Digital education	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Educational organization management	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Multilingual education	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Foreign language in multilingual space	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Russian language and literature in intercultural communication	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1

44.04.01	Pedagogical studies	Professional training in the field of physical education and sports	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Expert activity in the field of education	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
Naberezhnye Chelny Institute of Kazan Federal University									

08.04.01	Construction industry	Theory and design of buildings and edifices / Information modeling and management in the design, construction and operation of buildings and structures	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	2
09.04.01	Informatics and computer technologies	Automated information processing and control systems	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	2
09.04.02	Information systems and technologies	Information systems and technologies	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	1
09.04.03	Applied informatics	Reengineering of business processes of enterprises (organizations)	Master's program	2 years	full-time	budget-funded/ tuition fee-based	written examination on the Master's program profile	40	1
09.04.04	Program engineering	Program and information system development	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	2
13.04.01	Heat power engineering	Power management	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
13.04.02	Power engineering	Power supply of industrial organizations and systems	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
13.04.03	Power engineering machine industry	Internal combustion engines	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
15.04.01	Machine-building industry	Machines and technologies for metal forming	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
15.04.02	Technological machines and equipment	Machines and apparatus for food industry	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
15.04.04	Automation of technological processes and productions	Automation of technological processes and productions	Master's program	2 years	full-time	budget-funded/ tuition fee-based	interdisciplinary written examination	40	1
