

to the Admission Regulations of the Federal State Autonomous Institution of Higher Education "Kazan (Volga Region) Federal University" for 2022/2023 academic year

Prospective admission numbers for international applicants - Master's academic programs
for 2022/2023 academic year

Major/Specialty			Education level (Master's program)	Period of study	Mode of study (full-time/part-time/extramural)	Fee coverage (budget-funded/tuition fee-based studies)	Entrance exams (subjects by their importance)	Minimum points (on each subject) sufficient to secure the admission to the program	Number of international applicants admitted for studies in 2022/2023 academic year
Code	Title	Master's program							
1	2	3	4	5	6	7	8	9	10
Institute of Fundamental Medicine and Biology									
06.04.01	Biology	Biochemistry, molecular biology and bioinformatics; Microbiology and virology; Genetics; Neurobiology; Bioresources and biodiversity; Bio- and nanotechnology; Bioecology and nature conservation; Medical and biological sciences; Plant biology and landscape design; Physiological foundations of functional diagnostics	Master's program	2 years	full-time	tuition fee-based	written examination (test+essay) on the profile of the Master's program, interview on the topic of the Master's program profile	40 40	10
06.04.01	Biology	Genetic technologies	Master's program	2 years	full-time	tuition fee-based	written examination (test+essay) on the profile of the Master's program, interview on the topic of the Master's program profile	40 40	5
32.04.01	Public health	Health and longevity	Master's program	2 years	full-time	tuition fee-based	written examination (test+essay) on the profile of the Master's program, interview on the topic of the Master's program profile	40 40	5
44.04.01	Pedagogical studies	Biological education and life safety	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	2
Institute of Environmental Sciences									
05.04.06	Ecology and Natural resources management	Ecological safety and environmental protection management	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	5
Institute of Geology and Petroleum Technologies									
05.04.01	Geology	Modern geophysical technologies for prospecting and exploration of hydrocarbon deposits; Engineering geology and hydrogeology of urbanized territories; Stratigraphy of oil and gas basins; Geology of mineral deposits; Digital technologies and modeling methods in petroleum geology	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	7
05.04.01	Geology	Complex data analysis in geosciences	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile (interview on geoscience topics)	40	3
21.04.01	Petroleum engineering	Oil, gas and natural bitumen technologies	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	10

21.04.01	Petroleum engineering	Development of hard-to-recover and unconventional hydrocarbon fields, Integrated field modeling	Master's program	2 years	full-time	tuition fee-based	written examination (test - tasks on Mathematics and on the Master's program profile)	40	10
21.04.01	Petroleum engineering	Petroleum engineering (in English)	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile, oral examination on the Master's program profile	40 40	10
Institute of international relations									
58.04.01	Oriental and African studies	Oriental languages in professional communication (Korean language); Oriental languages in professional communication (Chinese language); Oriental languages in professional communication (Turkish language); Language and literature of Asian and African countries (Arabic language); Islamic studies	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	5
38.04.01	Economics	International economic relations of the countries of Europe and North America; World economy of the countries of the Asian-Pacific region and Africa	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	3
41.04.05	International relations	East in the system of global and regional international relations; World policy and international business; Digital diplomacy; Cultural heritage management	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	10
41.04.01	Foreign Regional Studies	Modern China; economy, policy, culture; Modern Euro-Atlantic civilization; Global vectors and regional peculiarities; Germany and German-speaking countries in the modern world	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	4
46.04.03	Anthropology and ethnology	Epic history of peoples of the Ural and Volga region	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
46.04.01	History	Archaeology; Historical imperiology; Russian studies	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
46.04.01	History	History, economy and culture of Turkic peoples	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
43.04.02	Tourism	International tourism	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	3
43.04.02	Tourism	Organization and techniques of international and domestic tourism	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
50.04.03	Art History	Art history of the Turkic-Muslim world	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
45.04.02	Linguistics	Theory of Translation: intercultural and multilingual communication; Theory and methodology of teaching foreign languages and cultures; Russian language in international activity and foreign language education	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	15
41.04.05	International relations	World policy and international business	Master's program	2 years 6 months	part-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
46.04.01	History	Historical political science; Modern historical science in teaching history and social studies at school	Master's program	2 years 6 months	extramural	tuition fee-based	oral examination on the Master's program profile	40	2
43.04.02	Tourism	International tourism	Master's program	2 years 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	2
Nikolai Lobachevsky Institute of Mathematics and Mechanics									
01.04.01	Mathematics	Analysis on manifolds, Geometry and its applications	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	2
01.04.03	Mechanics and mathematical modelling	Mechanics of liquid, gas and plasma; Mechanics of a solid deformable body; Oil and gas reservoir mechanics	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	1

02.04.01	Mathematics and computer sciences	Methods of mathematical and algorithmic modeling of general scientific and applied problems; Statistical methods of data science	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	1
Institute of physics									
03.04.02	Physics	Medical physics; Physics of perspective materials; Theoretical physics and modeling of physical processes	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
03.04.03	Radiophysics	Quantum devices and radiophotonics; Distributed intelligent systems	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
21.04.03	Geodesy and distant zonding	Distant zonding	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
27.04.05	Innovatics	Digital transformation of facilities	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
Alexander Butlerov Institute of Chemistry									
04.04.01	Chemistry	Analytical chemistry methods; chemoinformatics and molecular modeling; chemistry of supramolecular nano- and biosystems; petrochemistry and catalysis, physical and chemical research methods in chemistry; medicinal chemistry, chemistry of composite materials, innovative materials and methods of their research, organic, element-organic and medicinal chemistry; Chemistry and its method of teaching	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	10
Faculty of Law									
40.04.01	Law	The Lawyer in international business (in English)	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	15
40.04.01	Law	The Lawyer in international business (in English); International protection of human rights; Legal analytics; Legal support of business; Lawyer in the sphere of digital economy; Private right and business; Legal support of financial activity; Preliminary investigation and justice in criminal cases; Forensic support of law enforcement and judicial activities; Investigative, prosecutorial and human rights activities in criminal cases; The Lawyer in civil, arbitration and administrative processes; Social law	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	
40.04.01	Law	International protection of human rights; Legal analytics; Legal support of business; Lawyer in the sphere of digital economy; Private right and business; Legal support of financial activity; Preliminary investigation and justice in criminal cases; Forensic support of law enforcement and judicial activities; Investigative, prosecutorial and human rights activities in criminal cases; The Lawyer in civil, arbitration and administrative processes; Social law	Master's program	2 years and 5 months	extramural	tuition fee-based	written examination on the Master's program profile	40	
Institute of computational mathematics and information technologies									
01.04.02	Applied mathematics and informatics	Mathematical modeling of physical processes; Artificial intelligence and supercomputer computing; Data analysis and its applications; Mathematical methods and information technologies in economics and finance	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	60	5
09.04.02	Information systems and technologies	Information systems development technologies	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	60	5
Institute of philology and intercultural communication									
44.04.01	Pedagogical studies	Russian language and literature teaching at secondary and higher school	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	4

44.04.01	Pedagogical studies	Tatar language and literature: contemporary educational theories and techniques	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	English language and literature teaching at secondary and higher school	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Foreign languages for professional communication	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Information technologies in education and art	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Russian as a foreign language	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	50
45.04.01	Philology	Turkic studies	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	International professional communication in Eurasian area	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Russian language and literature in World culture area	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	15
44.04.01	Pedagogical studies	Multilingual technologies of children's early development	Master's program	2 years 6 months	part-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Text analytics in education and science	Master's program	2 years 6 months	part-time	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Applied linguistics	Master's program	2 years 6 months	extramural	tuition fee-based	oral examination on the Master's program profile	40	1
45.04.01	Philology	Romance and Germanic philology	Master's program	2 year 6 months	extramural	tuition fee-based	oral examination on the Master's program profile	40	1
Institute of social and philosophical sciences and mass communications									
37.04.02	Conflict studies	Corporate conflict management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination (written exam, portfolio, motivation letter) on the Master's program profile	40	5
39.04.01	Sociology	Sociology of innovative processes management	Master's program	2 years	full-time	tuition fee-based	complex entrance examination (oral exam, written exam, portfolio) on the Master's program profile	40	2
41.04.04	Politology	Political regionalism and ethnopolitics; Politics, law and society of the European Union and Eurasia	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	5
42.04.01	Advertising and public relations	Advertising and public relations in management; Geobranding; Media analytics	Master's program	2 years	full-time	tuition fee-based	complex entrance examination (oral exam, written exam) the Master's program profile	40	2
42.04.02	Journalism	New media	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	10
42.04.04	Television	Digital building and screenwriting	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	2
42.04.05	Mediacommunications	Mediacommunications for the young	Master's program	2 years	full-time	tuition fee-based	complex entrance examination (oral exam, written exam) the Master's program profile	40	2
47.04.01	Philosophy	Contemporary philosophy	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
47.04.01	Philosophy	Philosophy of the digital society	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	2
47.04.03	Religious studies	Legal religious studies	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	2
48.04.01	Theology	Current issues of the Christian theology; Orthodox theology; Current issues of the Islamic theology	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	2
Institute of psychology and education									
37.04.01	Psychology	Psychology of human's states	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40	9

37.04.01	Psychology	Personality psychotherapy and psychocorrection	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40		3
44.04.01	Pedagogical studies	Pedagogy and psychology of higher education	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40		3
44.04.01	Pedagogical studies	Management of educational activities	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40		3
44.04.02	Psychological and pedagogical education	Psychological safety in education	Master's program	2 years	full-time	tuition fee-based	interview on the topic of the Master's program profile	40		3
44.04.01	Pedagogical studies	Supplementary education and entrepreneurship	Master's program	2,6 years	extramural	tuition fee-based	interview on the topic of the Master's program profile	40		3
Institute of information technology and intelligent systems										
09.04.04	Program engineering	Analytics and development management (Product development)	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	40	1
09.04.04	Program engineering	Intelligent robotics	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	40	1
09.04.04	Program engineering	Virtual and augmented reality technologies	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	40	1
09.04.04	Program engineering	Artificial intelligence in digital product development	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	40	1
09.04.04	Program engineering	Artificial intelligence methods and tools in software development) (the program is implemented in English with the use of distance technologies)	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	40	10
Institute of management, economics and finance										
38.04.01	Economics	Audit and financial management	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		5
38.04.01	Economics	Financial analytics	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		3
38.04.01	Economics	Economics and organization management: sectoral aspect	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		5
38.04.01	Economics	Economics and organization management: sectoral aspect (involving distant learning)	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		7
38.04.01	Economics	International business in the context of globalization	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		7
38.04.02	Management	General and strategic management (joint degree diploma in English)	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		3
38.04.02	Management	Project management in the field of social entrepreneurship	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40		1

38.04.02	Management	Business and management	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	5
38.04.08	Finance and credit	Finance (involving distant learning)	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	10
38.04.04	State and municipal management	Smart city management	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	3
43.04.02	Tourism	Tourism industry in the global digital area	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
20.04.02	Environmental engineering and water resources management	Safety and rehabilitation of natural and man-made disasters	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
05.04.02	Geography	Economic geography and spatial development of territories	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.01	Economics	Financial analytics	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.02	Management	Business and management	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.01	Management	Project management in the field of social entrepreneurship	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.02	Economics	International business in the context of globalization	Master's program	2 years, 6 months	part-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
44.04.01	Pedagogical studies	Environmental-geografic education	Master's program	2 years, 6 months	extramural	tuition fee-based	interview on the topic of the Master's program profile	40	1
38.04.01	Economics	Accounting, audit and financial consulting	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1

38.04.02	Economics	Economics and organization management: sectoral aspect	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.08	Finance and credit	Islamic finance	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.08	Finance and credit	Finance	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
38.04.04	State and municipal management	State politics and management	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
05.04.03	Mapping and geoinformatics	Geoinformation and space technologies in economics and management	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
20.04.05	Environmental engineering and water resources management	Urboecology	Master's program	2 years, 6 months	extramural	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	1
Institute of Engineering									
12.04.04	Biotechnical systems and technologies	Medical and biological devices, systems and complexes	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
12.04.04	Biotechnical systems and technologies	Medical and clinical technology	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
27.04.05	Innovatics	Innovation technologies of robotic systems management	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
27.04.05	Innovatics	Metrology and certification	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
27.04.05	Innovatics	Life cycle management of objects of fuel and energy complex	Master's program	2 years	full-time	tuition fee-based	complex entrance examinationon (written examination (test), motivation letter, portfolio) on the profile of the Master's program	40	2
Institute of Design and Spatial Arts									
54.04.01	Design	Design and spatial arts	Master's program	2 years	full-time	tuition fee-based	oral examination on the Master's program profile	40	10
Higher School of Business									
38.04.01	Economics	Economics of sustainable development and integrated reporting; Economics of low carbon and sustainable development	Master's program	2	full-time	tuition fee-based	motivation letter, interview on the topic of the Master's program profile	40	3

38.04.02	Management	IT-management	Master's program	2	full-time	tuition fee-based	motivation letter, interview on the topic of the Master's program profile	40	2
38.04.02	Management	Business management	Master's program	2	full-time	tuition fee-based	motivation letter, interview on the topic of the Master's program profile	40	2
38.04.02	Management	Management (in English)	Master's program	2	full-time	tuition fee-based	motivation letter, interview on the topic of the Master's program profile	40	1
Yelabuga Institute of Kazan Federal University									
44.04.01	Pedagogical studies	Educational organization management	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Digital education	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Expert activity in the field of education	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	3
44.04.01	Pedagogical studies	Russian language and literature in intercultural communication	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	12
44.04.01	Pedagogical studies	Foreign language in multilingual space	Master's program	2 years	full-time	tuition fee-based	written examination on the Master's program profile	40	12
44.04.01	Pedagogical studies	Educational organization management	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Multilingual education	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Russian language and literature in intercultural communication	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Pre-school education management	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Engineering pedagogy	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
44.04.01	Pedagogical studies	Professional training in the field of physical education and sports	Master's program	2 years, 6 months	extramural	tuition fee-based	written examination on the Master's program profile	40	1
Naberezhnye Chelny Institute of Kazan Federal University									
08.04.01	Construction industry	Theory and design of buildings and edifices; Information modeling and management in the design, construction and operation of buildings and structures	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
09.04.01	Informatics and computer technologies	Automated information processing and control systems	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
09.04.02	Information systems and technologies	Information systems and technologies	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	2
09.04.03	Applied informatics	Reengineering of business processes of enterprises (organizations)	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
09.04.04	Program engineering	Program and information systems	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
13.04.01	Heat power engineering	Autonomous energy systems	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
13.04.02	Power engineering	Power supply of industrial organizations and systems	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
13.04.03	Power engineering machine industry	Internal combustion engines	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1

15.04.01	Machine-building industry	Machines and technologies for metal forming	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
15.04.04	Automation of technological processes and productions	Automation of technological processes and productions	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
15.04.05	Design and technological support of machine-building industries	Design and technological support of machine-building industries	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.01	Economics	Business economy	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.02	Management	Innovation management	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	Legal support for organization management	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	International law; International relations	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
45.04.02	Linguistics	Translation and translation studies; Linguistic services for professional communication	Master's program	2 years	full-time	tuition fee-based	written examination (test) on the Master's program profile	40	1
08.04.01	Construction industry	Theory and design of buildings and edifices; Information modeling and management in the design, construction and operation of buildings and structures	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	2
13.04.01	Power engineering	Power supply of industrial organizations and systems	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.01	Economics	Business Economy	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.02	Management	Innovation management	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.03	Personnel management	Organization's personnel management	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
38.04.04	State and municipal management	Territory development management	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	Legal support for organization management	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	Criminal proceedings	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	Prosecution, human rights and law enforcement activities	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1
40.04.01	Law	Administrative jurisdictional activity in the customs administration	Master's program	2 years and 6 months	extramural	tuition fee-based	written examination (test) on the Master's program profile	40	1

English-taught programs
Part-time, extramural programs
