to the Rules of Admission to the Federal State Autonomous Educational Institution of Higher Education 'Kazan (Volga Region) Federal University' for the academic year 2026/27

Plan of admission of foreign citizens to study under Master's programs for the academic year 2026/27

* maximum number of points for each entrance exam - 100 points

Name			Level of education (master's)	Education level of entrants (on the basis of VET (on the basis of HE))	Term of study	Mode of study (full-time/mixed/part-time)	Type of competition (state-funded/tuition fee based (contract self-funded))	Entrance exams	Form of the entrance test	Minimum number of points (for each subject), confirming successful completion of entrance tests*	Format of entrance examinations (in-person or remote)	Admission plan (for contract self-funded study)	Network form of education (yes/no)	Double degree programme (yes/no)
Code	Field of study / speciality	Major (profile) / Specialisation												
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Institute of Fundamental Medicine and Biology														
06.04.01	Biology	Genetics and Genetic; Plant Biology and Landscape Design; Biochemistry, molecular biology and bioinformatics; Bioresources and Animal Biology	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing+essay) on the profile of the Master's programme interview on the profile of the Master's programme	Written examination	40 40	in-person / remotely	1	no	no
Institute of Ecology, Biotechnology and Nature Management														
05.04.06	Ecology and nature management	Environmental safety and management in the field of environmental protection	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	admission test on the profile of the master's programme	Oral examination	40	in-person / remotely	2	no	no
19.04.01	Biotechnology	Systems biotechnology and architecture of living systems	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	examination on the profile of the Master's programme	Oral examination	40	in-person / remotely	2	no	no
Institute of Geology and Petroleum Technologies														
05.04.01	Geology	Modern geophysical technologies for prospecting and exploration of hydrocarbon deposits (with the use of e-learning and distance learning technologies); Engineering geology and hydrogeology of urbanised areas; Stratigraphy of oil and gas bearing basins; Geology of mineral deposits; Geology and geochemistry of oil and gas (with the use of e-learning and distance learning technologies); Digital technologies and modelling methods in oil and gas geology.	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the programme area)	Written examination	40	in-person / remotely	10	no	no
05.04.01	Geology (implemented in English)	Complex data analysis in geosciences	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance examinations	Oral examination	40	in-person / remotely	5	no	no
05.04.02	Geography	Territorial planning	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing) in the field of study, motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	1	no	no
05.04.03	Cartography and geoinformatics	Geographic Information Systems in Earth Sciences	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing) in the field of study, motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	1	no	no
21.04.01	Petroleum engineering	Development of hard-to-recover and unconventional hydrocarbon fields; Integrated modelling of fields	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the programme area)	Written examination	40	in-person / remotely	8	no	no
21.04.01	Petroleum engineering (implemented in English)	Petroleum engineering, (programme implemented in English)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance examinations	interview on the program profile	40	in-person / remotely	10	no	no
21.04.01	Petroleum engineering	Oil, gas and natural bitumen technologies	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance examinations	Written examination	40	in-person / remotely	7	no	no

44.04.01	Teacher education	Geological and geographical education	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing) in the field of study, motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	1	no	no
Institute of International Relations, History and Oriental Studies														
41.04.05	International relations	European Studies; Managing hybrid warfare and digital diplomacy; The Architecture of a Multipolar World; East in the System of Global and Regional International Relations	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	6	no	no
58.04.01	Oriental and African Studies	Oriental languages in professional communication (Chinese); Oriental languages in professional communication (Turkish); Languages and Literatures of the Peoples of Asia and Africa (Arabic); Sociocultural Space of China	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	6	no	no
41.04.01	Foreign regional studies	Modern China: Economy, Politics, and Culture; Modern Euro-Atlantic Civilization: Global Vectors and Regional Features	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Interview	40	in-person / remotely	2	no	no
46.04.01	History	Historic Urbanism; Public History; Artificial Intelligence and Digital History; Protection and Management of Historical and Cultural Heritage Sites	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	1	no	no
46.04.01	History	History, economy and culture of Turkic peoples	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	1	no	no
50.04.03	Art History	Art History of the Turkic-Muslim World	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	1	no	no
43.04.02	Tourism	International Tourism; Organisation and Technology of Domestic Tourism	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	4	no	no
43.04.03	Tourism	International Tourism; Organisation and Technology of Domestic Tourism	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	4	no	no
45.04.02	Linguistics	Translation theory, intercultural and interlingual communication; Theory and methodology of teaching foreign languages and cultures; Russian language in international activities and foreign language education	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	18	no	no
N.I. Lobachevsky Institute of Mathematics and Mechanics														
01.04.01	Mathematics	Analysis on manifolds, Geometry and its applications	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	in-person / remotely	5	no	no
01.04.03	Mechanics and mathematical modelling	Mechanics of deformable solid bodies; Aerohydrodynamics and mechanics of oil and gas reservoirs;	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	in-person / remotely	5	no	no
02.04.01	Mathematics and Computer Science	Methods of mathematical and algorithmic modelling of general scientific and applied problems; Statistical methods of data science	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	письменный экзамен по профилю магистерской программы	Written examination	40	in-person / remotely	10	no	no
44.04.01	Teacher education	Mathematics education in a digital society	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme interview on the profile of the Master's programme	Written examination	40	in-person / remotely	5	no	no
Institute of Physics														
03.04.02	Physics	Medical Physics; Applied and Fundamental Physics	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	2	no	no
03.04.03	Radiophysics	Quantum devices and radiophotonics; Distributed intelligent systems	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	2	no	no
21.04.03	Geodesy and remote sensing	Remote sensing	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	2	no	no

27.04.05	Innovatics	Digital transformation of enterprises	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	2	no	no
44.04.01	Teacher education	Physics and maths education	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Interview	40	in-person / remotely	5	no	no
Chemical Institute named after A.M. Butlerov														
04.04.01	Chemistry	Methods of analytical chemistry; Chemoinformatics and molecular modelling; Chemistry of supramolecular nano- and biosystems; Petrochemistry and catalysis; Physico-chemical methods of research in chemistry; Medicinal chemistry; Chemistry of composite materials; Innovative materials and methods of their research; Organic, Organoelemental and Medicinal Chemistry; Chemistry and its Teaching Methods	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	1	no	no
44.04.01	Teacher education	New approaches to teaching chemistry	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test for the Master's programme profile	Oral examination	40	in-person / remotely	1	no	no

Law Faculty														
40.04.01	Jurisprudence	Private law; Public law; Legal support for business; International protection of human rights	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination in jurisprudence	Written examination	40	in-person / remotely	5	no	no
40.04.01	Jurisprudence	Private law; Public law; Legal support for business	master	on the basis of VET (on the basis of HE)	2 years 5 months	full-time	contract (self-funded)	written examination in jurisprudence	Written examination	40	in-person / remotely	5	no	no
Institute of Computational Mathematics and Information Technologies														
01.04.02	Applied mathematics and informatics	Mathematical modelling of physical processes; Artificial Intelligence and Supercomputing; Data analysis and its applications; Mathematical methods and information technologies in economics and finance	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	60	in-person / remotely	1	yes	no
09.04.02	Information systems and technologies	Information systems development technologies	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	Written examination	Written examination	60	in-person / remotely	1	no	no
Institute of Philology and Intercultural Communication														
44.04.01	Teacher education	Teaching Russian language and literature at secondary and higher schools (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	8	yes	no
45.04.01	Philology	Russian language and literature in the space of world culture (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	20	yes	no
45.04.01	Philology	Russian as a foreign language (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	5	yes	no
45.04.01	Philology	Russian as a Foreign Language: East - West (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Oral examination	40	in-person / remotely	25	yes	no
Institute of Social and Philosophical Sciences and Mass Communications														
42.04.02	Journalism	New Media	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	entrance test on the profile of the Master's programme	Written examination	40	очно / дистанционно	10	no	no
47.04.01	Philosophy	Soviet Intellectual Tradition: Philosophical Reception	master	on the basis of VET (on the basis of HE)	2 years 6 months	part-time	contract (self-funded)	oral examination on the profile of the Master's programme	Oral examination	40	in-person / remotely	8	no	no
Institute of Psychology and Education														
37.04.01	Psychology	The psychology of the human condition	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	Interview on the profile of the Master's programme	Interview	40	in-person / remotely	5	no	no
44.04.01	Teacher education	Pedagogy and psychology of higher education (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	Interview on the profile of the Master's programme	Interview	40	in-person / remotely	5	no	no
Institute of Information Technologies and Intelligent Systems														
09.04.04	Software engineering	Analytics and management of digital product development	master	on the basis of VET (on the basis of HE))	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no
09.04.04	Software engineering	Intelligent robotics	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
09.04.04	Software engineering	Virtual and augmented reality technologies, game development	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
09.04.04	Software engineering	Artificial Intelligence in the development of digital products (using e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no

09.04.04	Software Engineering (implemented in English)	Artificial Intelligence in Digital Product Development (with the use of e-learning and distance education technologies) (Artificial Intelligence in Digital Product Development (with the use of e-learning and distance education technologies)) (the programme is implemented in English)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	11	no	no
09.04.04	Software engineering	Digital Leadership - an ecosystem of national platforms and intelligent services	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
09.04.04	Software engineering	DevOps and cloud technologies (with the use of e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
Institute of Management, Economics and Finance														
38.04.01	Economy	Auditing and financial management; Economics and management at the enterprise; Foreign economic activity;	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	25	no	no
38.04.02	Management (implemented in English)	Strategic management (the programme is implemented in English)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	8	no	no
38.04.02	Management	Business Development Management (using e-learning and distance educational technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	40	no	no
38.04.02	Management	Business and Management;	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	24	no	no
38.04.02	Management	Business Intelligence Management in IT (using e-learning and distance learning technologies)	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	2	yes	no
38.04.08	Finance and credit	Financial analytics	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination (testing in the field), motivation letter, portfolio of the applicant's	Written examination	40	in-person / remotely	1	no	no
Institute of Artificial Intelligence, Robotics and Systems Engineering														
12.04.04	Biotechnical systems and technologies	Neurocognitive technologies in business analytics	master	on the basis of VET (on the basis of HE)	2 years	full-time	договор	Testing, Motivational letter, Portfolio applicant's achievements	Written examination	60	in-person / remotely	2	no	no
27.04.05	Innovatics	Innovative control technologies robotic systems	master	on the basis of VET (on the basis of HE)	2 years	full-time	договор	Testing, Motivational letter, Portfolio applicant's achievements	Written examination	60	in-person / remotely	2	no	no

Institute of Design and Spatial Arts														
07.04.01	Architecture	Architecture, design and engineering	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	interview; essay on the research topic; portfolio	Oral examination	40	in-person / remotely	2	no	no
54.04.01	Design	UX/UI and digital design tools	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	interview; essay on the research topic; portfolio	Oral examination	40	in-person / remotely	10	no	no
Elabuga Institute (branch) of Federal State Educational Institution of Higher Professional Education 'Kazan (Volga Region) Federal University'.														
38.04.01	Economy	Regional economy	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	remotely	5	no	no
44.04.01	Teacher Education	Artificial intelligence in the design of digital educational environment of a teacher	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	remotely	2	no	no
44.04.01	Teacher Education	Historical education	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	remotely	2	no	no
44.04.01	Teacher Education	Management of the educational organisation	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	written examination on the profile of the Master's programme	Written examination	40	remotely	2	no	no
Naberezhnye Chelny Institute (branch) of Federal State Educational Institution of Higher Professional Education 'Kazan (Volga Region) Federal University'.														
09.04.03	Applied informatics	Reengineering business processes of enterprises, organizations, and banks	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
09.04.04	Software Engineering	Software and information systems	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no
13.04.02	Electric power and electrical engineering	Power supply of industrial enterprises and systems	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no
23.04.03	Operation of transport and technological machines and complexes	Technical operation of cars	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no
38.04.01	Economy	Business Economics	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	3	no	no
38.04.02	Management	Innovation management	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	3	no	no
38.04.03	Personnel management	Organization's personnel management	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
45.04.02	Linguistics	Theoretical and applied linguistics	master	on the basis of VET (on the basis of HE)	2 years	full-time	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	2	no	no
38.04.01	Economy	Business Economics	master	on the basis of VET (on the basis of HE)	2 years 6 months	mixed	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
38.04.02	Management	Logistics and supply chain management	master	on the basis of VET (on the basis of HE)	2 years 6 months	mixed	contract (self-funded)	proficiency test	Written examination	40	in-person / remotely	1	no	no
